

London is a world-class city offering unrivalled attractions – with something to suit everybody. It is a city of surprises and great diversity – each area having its own distinct cosmopolitan flavour. If it is

culture, history and pageantry you are after, look no further than the museums, galleries and famous city landmarks.

Those looking for great nightlife can enjoy the wide variety of bars, pubs, nightclubs, theatres and music venues. Whatever your preference, London has got something for you!

THE SCHOOL

LSI London Central is located in the heart of Central London, close to university area (UCL, SOAS, Birkbeck) and the fashionable area of Soho. The area is full of cafes, bars and pubs catering for the lively student population. The school's central location means that you are never more than a short walk away from all the major attractions.

The classrooms and facilities are located over five floors of the LSI building, which has been recently refurbished to the highest standards to provide a comfortable, modern environment for your studies. Classrooms are bright and well-equipped to cater for all your course requirements.

Students can use the computer facilities to access free internet or practise their English using the self-study programs. There is a student lounge with a coffee machine

where students can relax with other students, read the newspaper or have lunch.

For executive students, the dedicated executive centre, located on the top floor of the school, is the perfect place to meet likeminded students while studying on your Mini Group for Business or individual course.

LEISURE PROGRAMME

Your visit to London is not complete without sampling the LSI social programme – a perfect opportunity to relax and make new friends while sampling what London has on offer. Our programme organisers are always looking to show you something new and the good news is that many of the activities are free!
