

**THE SCHOOL**

Just fifteen minutes from the heart of the capital, LSI London Hampstead is situated in one of London's most fashionable areas. From Hampstead's many boutiques, pubs, restaurants and museums it's only a short walk to Hampstead Heath, one of London's biggest and most beautiful parks. Hampstead is home to many pop stars, actors and media personalities, so don't be surprised if you see a famous face or two in the High Street!

A spacious and light building, a large and beautiful garden - perfect for spring and summer barbecues - and a friendly, relaxed atmosphere all make LSI London Hampstead an ideal place for studying both general English and examination courses.

The school's Learning Centre offers free Internet access, self-study software for all levels of English and a fully equipped language labora-

tory. There is also a school library where you can borrow books, cassettes and CD-ROMs, a comfortable lounge, table tennis table and a hot and cold drinks machine.

**LEISURE PROGRAMME**

LSI London Hampstead's varied and exciting programme of social activities makes good use of the area's rich cultural heritage and wealth of leisure facilities. There's something for everyone, including guided walks, trips to local cinemas and museums, visits to restaurants and some of the best pubs in London. There are also regular sporting competitions with students and staff from LSI London Central. Weekends trips to such places as Oxford, Cambridge, Stonehenge, Edinburgh and even Paris complete our programme.
